WHY **REFIT** WHEN YOU CAN **REFRESH**?

## WOULD YOU LIKE TO CHANGE YOUR BATH FOR A LUXURIOUS SHOWER?

Revamp your bathroom by replacing the bath with a walk in shower. A Refresh adaption cuts out the upheaval of a new bathroom by keeping existing sanitary ware, tiles etc — we only replace when required!

Standard bath removal, walk in shower enclosure, with wet wall boards fitted if required **starts from as little as £995** and is usually completed in 2 days.

Where reputation matters

# We are proud to be celebrating **11 years** in business!

Established in 2011 by Steven Malone the company comes from humble beginnings with just Steven and his small team operating one van covering East Renfrewshire and the surrounding areas. Fast forward 11 years and the company have seen significant growth, now employing 20 staff and operating 8 vans to cover roofing work across Scotland and the north of England!

Customer service is at the forefront of everything that they do. From the initial evaluation to the final installation Evana's highly skilled team keep you updated on each step of the process, ensuring minimal disruption to your life.

Initially specialising in domestic roofing work Evana branched out into the commercial side of things, building relationships with a number of national companies, as well as becoming preferred roofers for the many property factors across Glasgow, testament to the hard work the company does.

After an initial 10 week closure in March 2020 due to the Covid-19 lockdown the company not only resumed trading after this difficult period, but continued their growth, doubling to 20 staff and 8 vans, even moving premises to the Clydesmill Industrial Estate, Cambuslang.

**So for any roofing work look no further than Evana!** All of their new roofs come with a 10-year insurance backed guarantee from the Confederation of Roofing Contractors.
