The Hurllet  
Crematorium

**We use the latest, most environmentally advanced cremation systems which offset our fuel carbon, and we only use renewably sourced electricity.**

**October:** Baby Memorial Service —  
Sunday 12th at 10am

## Welcome to The Hurllet Crematorium

### The Hurllet Crematorium – **Where Personalisation Matters**

At The Hurllet Crematorium, we believe every life is unique – and every farewell should be too.

Our ceremony hall is fully customisable, allowing families to create a send-off that truly reflects their loved one's passions, hobbies, and personality. From proudly raising golf flags for the 19th hole, to setting the stage for a lover of bowls, or even bringing in a cherished motorbike or Highland cow – no request is too unusual or too specific.

We work closely with each family to honour their loved one's story in a meaningful and respectful way. Whether it's themed music, unique decor, or symbolic items within the hall, we're here to help craft a farewell that feels deeply personal.

Because at The Hurllet, it's not just about saying goodbye – it's about celebrating a life well lived.

**Contact us today to discuss your ideas – we'll make it happen.**

## GROUP

With over 100 years of experience we are very proud that we are now the only veterinary practice in Paisley and Inverclyde that still provides a personal 24/7 Emergency Service, which is run by our own staff at our own surgery at a reasonable cost.

So at night our patients are treated by us at our surgery and not sent to the middle of Glasgow.

# Quick Drain Clear

## Blocked Drain Cleaning

Quick Drain Clear are experts in dealing with internal and external blocked drains.

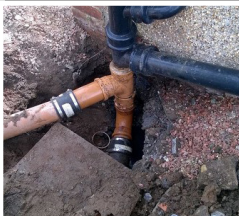

A blocked drain can cause a lot of problems which can affect the whole property depending where the blockage is. Our drainage engineers carry the latest equipment for drain unblocking including high pressure jetting systems allowing the blockage to be shifted quickly.

We can clear and repair both internal and external blockages leaving you with a clean, clear and safe environment.
