The Hurllet
Crematorium

We use the latest, most environmentally advanced cremation systems which offset our fuel carbon, and we only use renewably sourced electricity.

Welcome to The Hurllet Crematorium

The Hurllet Crematorium – **Where Personalisation Matters**

At The Hurllet Crematorium, we believe every life is unique – and every farewell should be too.

Our ceremony hall is fully customisable, allowing families to create a send-off that truly reflects their loved one's passions, hobbies, and personality. From proudly raising golf flags for the 19th hole, to setting the stage for a lover of bowls, or even bringing in a cherished motorbike or Highland cow – no request is too unusual or too specific.

We work closely with each family to honour their loved one's story in a meaningful and respectful way. Whether it's themed music, unique decor, or symbolic items within the hall, we're here to help craft a farewell that feels deeply personal.

Because at The Hurllet, it's not just about saying goodbye – it's about celebrating a life well lived.

Contact us today to discuss your ideas – we'll make it happen.
